

SUBSTANTIAL AMENDMENT TO THE CITY OF YUMA PY 2019 Annual Action Plan

On March 3, 2021, Yuma City Council will consider a Substantial Amendment to the City of Yuma Annual Action Plans for Program Year 2019/20. The City received Community Development Block Grant Coronavirus (CDBG-CV) funding to prevent, prepare for and respond to the Coronavirus. A portion of these funds were set-aside for Public Services activities to respond to the Coronavirus. However, a much needed, non-public service project was proposed, which requires the need for this Substantial Amendment. The amendment includes:

Adult Daybreak Facility Improvements (to provide space for distancing) \$150,000
Crossroads Mission Family Shelter – Furniture Replacement (Sanitizable) \$ 40,000
