

Suspicious Death of Breann Welch

On July 13th 1993, 4 month old Breann Welch was rushed to YRMC. Her parents, Richard and Tonia Welch, reported she had stopped breathing. She was flown to a children's hospital in Phoenix, but died the next day. An autopsy revealed a large amount of blood on the brain, and blood in the spinal cord, as well as signs of old and new rib fractures.
