**Status of Current Events**

**Desert Dunes Wastewater Treatment Facility Capacity Status** – We have been having routine meeting with the design engineer Carollo. Discussed the plans for plant expansion. Also discussed the financing for the project. Should be out for bid around January/February 2022.

**Utilities Department 2022 Goals**

**Regulations**– beginning to update many utilities regulations. Water, Wastewater and Backflow regulations will be reviewed as well as the ERP – for Pretreatment.

**Budget** – We have budgeted to purchase 9 new vehicles. No specialty vehicles are in the budget this year.

**Other Utilities Events** –

- Water week will be in May. There will be a display at City Hall.
- Water disconnections will commence on April 15<sup>th</sup>.
- Focus development opportunities

**Adjournment**

The meeting adjourned at 5:45 p.m.
