Signature Cocktails:

Sisters' Sangria: Lightly sweet and perfectly refreshing, this red wine sangria will have Mother Superior reaching for her ruler if she sees you with a glass.

Holy Water: This spiked holy water will bless your palate. Vodka, Rum, and peach schnapps combine with lemonade and a splash of pineapple juice before a final touch of blue curacao for a wickedly delicious citrus cocktail.

Devil's Delight: Just the tonic after a long day sneaking around the convent. Orange curacao and angostura bitters are muddled under ice and bourbon, topped with tonic water and a maraschino cherry.

Wine Flight: A selection of wines you might find being made in secret by nuns. Each flight includes a tasting of St. Francis Chardonnay, Proverb Pinot Noir, High Heaven Riesling, and Casillero del Diablo.
