The following must be submitted with this application:

Project description and supporting documentations including description and photographs of the areas of the building to be improved.
Estimated budget. The budget shall be supported by a price quote from a professional who has expertise in construction. This price quote cannot be considered a bid and funds cannot be obligated to any contractor until
the federal procurement process has been completed.
Signage proposal. Signage must be attached to the building. The application must include a description that
includes size, placement and content. City of Yuma sign ordinances will apply, Signage enhancements must be approved by the Department of Community Planning.
Lighting proposal. Lighting must be attached to the building exterior. Lighting to illuminate parking areas is not eligible.
If the project involves significant property rehabilitation, plans drawn to scale must be included.
If the applicant is a tenant, a letter of support and consent from the property owner must be included.
