## Executive Summary

The City of Yuma is pleased to present the 2022 Consolidated Annual Performance and Evaluation Report (CAPER). The CAPER is a year-end summary of activities undertaken with assistance from the Community Development Block Grant (CDBG) and HOME Investment Partnership Programs and leveraged funds throughout Program Year (PY) 2022 (July 1, 2022 – June 30, 2023). It was prepared by Neighborhood Services, a division of the Planning and Neighborhood Services Department. The CAPER provides Yuma residents and the Department of Housing and Urban Development (HUD) with information to assess the City's performance in meeting strategic goals and objectives outlined in the 2021-2025 Consolidated Plan and the 2022 Action Plan. These plans were developed with citizen participation. The City encourages Yuma residents and stakeholders to help identify local housing and community development needs in the community.

All CDBG activities executed during 2022 conformed to at least one of the three statutory goals established by Congress for the CDBG Program: provide decent housing, provide a suitable living environment, and expand economic opportunities, primarily for low-and-moderate income persons.

The City's main priority for the use of CDBG funds is the revitalization of Mesa Heights, which is a HUD-designated Neighborhood Revitalization Strategy Area (NRSA). The City continues to take a holistic approach to improving this area and the quality of life for residents. There are many goals in the Mesa Heights Plan, but priorities are to improve housing conditions, increase the number of affordable housing units, improve safety and security, and improve economic conditions.

In March 2020, the City of Yuma was awarded CARES Act CDBG-CV funds to help prevent, prepare for, and respond to Coronavirus. No new CDBG-CV funds were received in PY 2022; however, carry over funds were still available to utilize.

The Yuma County HOME Consortium (YCHC) is a Participating Jurisdiction and receives an annual allocation of HOME funds. The City of Yuma is the lead entity in the consortium that includes Yuma County, City of Somerton, City of San Luis, and Town of Wellton. HOME funds are utilized throughout Yuma County. The primary objective for HOME is to create affordable housing for low-and moderate-income (LMI) people.

In 2021, the YCHC was allocated HOME American Rescue Plan (HOME-ARP) funds to assist qualifying populations with housing or shelter. HUD has approved the HOME ARP Allocation Plan and funds will be used for an affordable housing rental development.

## CR-05 - Goals and Outcomes

**Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)**

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The City and the Yuma County HOME Consortium made significant progress in meeting the goals established in the five-year strategic plan. The following tables describe the accomplishments made with CDBG, CDBG-CV, HOME funds and HOME-ARP.

Goals	Performance Objective	Activity	Nat'l Obj	5 Year Goals	2022 Goals	2022 Accomplishments	People Served Income Levels	Expended 2022
Improve the quality of existing affordable rental and owner-occupied housing stock, including home accessibility modifications.	Create Suitable Living Environment	Housing Rehabilitation	LMH	35 hsg units	6 housing units	4 housing units	3 Mod 1 Low	399,865
Improve the quality of existing affordable rental and owner-occupied housing stock, including home accessibility modifications.	Create Suitable Living Environment	Housing Rehabilitation – Mesa Heights	LMH	5 hsg units	1 housing unit	2 housing units	1 Mod 1 Non-LMI	125,507
Support low and moderate-income families through public services including, but not limited to, childcare and after school programming, nutrition and food assistance and public facility improvements.	Create Suitable Living Environment	Fair Housing Activities	N/A	6,000 people	6,000 people		N/A – Pln/Admin	19,416
		WACOG Housing Counseling	LMC	90 households	30 households	8 households	4 Ext Low 3 Mod 1 Non-LMI	5,121
		Crossroads Mission-Homeless Eating Healthy Program	LMC	500 People	500 People	2,192 People	2,192 Ext Low	40,000
		Mesa Heights Neighborhood Sports Program	LMA	100 People	100 People	718 People	2,180 LMI 1,675 Non LMI	62,000
Improve community infrastructure in qualified neighborhoods to support community revitalization and housing affordability.	Create Suitable Living Environment	Joe Henry Park Restrooms	LMA	3,855 People	3,855 People	Population – 3,855 56.55% LMI	2,180 LMI 1,675 Non-LMI	113,903
		Carver Park Restrooms	LMA	4,950 people	4,950 People	Population –4,955 60.51% Low Mod	2,995 Low Mod Non-LMI 1,955	54,036
Continue to improve the quality of neighborhoods with low-income concentrations	Create Suitable Living Environment	Code Enforcement/Rental Inspection Program	LMA	9,055 people	9,055 people	Population – 9,055, 57.92% LMI	5,245 LMI 3,810 Non-LMI	74,084
		Voluntary Demolition Program	SBS	5 hsg units	2 hsg units		N/A	0
		MHN Outreach	LMA	3,855 people	3,855 people	Population – 3,855 56.55% LMI	2,180 LMI 1,675 Non-LMI	255
		MHN Cleanup	LMA	3,855 people	3,855 people	Population – 3,855 56.55% LMI	2,180 LMI 1,675 Non-LMI	1,950
		MHN Façade Improvements	LMA	2 businesses	2 businesses	2 business	N/A	54,653
Provide Public Services for LMI people.	Create Suitable Living Environment	SHINE Childcare Center	LMC	30 households	30 households	39 households	34 Ext Low 2 Low 3 Mod	4,498

**Table A – Summary CDBG Goals and Accomplishments**

Goals	Performance Objective	Activity	5 Year Goals	2022 Goals	2022 Accomplishments	People Served Income Levels	Expended 2022
Increase affordable rental housing options through the creation of new units and tenant based rental assistance.	Provide decent affordable housing	Tenant Based Rental Assistance	60 households	30 households	17 households	7 Ext Low 10 Very Low	233,946
		Rental Housing Development (CHDO)	5 housing units	1 housing unit	Predevelopment Process	0	0
Improve the quality of existing affordable rental and owner-occupied housing stock, including home accessibility modifications	Provide decent affordable housing	Housing Rehabilitation	40 housing units	0 housing units	2 housing units	2 Low	59,861
Facilitate homeownership options through down payments assistance, financial counseling, and/or supporting the creation of more diverse and affordable housing products.	Provide decent affordable housing	Down Payment Assistance	20 households	0 households			0

**Table B – Summary HOME Goals and Accomplishments**

CDBG-CV Goal – Prevent, prepare for, and respond to the Coronavirus.							
Activity	Performance Objective	National Objective	2022 Goals	2022 Accomplishments	People Served Income Levels	Funds Expended 2022	
Safe House COVID-19 Prevention	Create suitable living environment	LMC	200 people	264 people	252 Ext Low 9 Low 1 Mod 2 Non-LMI	57,000	
Adult Daybreak Facility Improvements	Create suitable living environment	LMC	54 people	68 people	68 Low	148,785	

**Table C – Summary CDBG-CV Goals and Accomplishments**

Goals	Performance Objective	Activity	5 Year Goals	2022 Accomplishments	People Served Income Levels	Expended 2022
Increase affordable rental housing options through the creation of new units and tenant based rental assistance.	Provide decent affordable housing	Rental Housing Development	12 household units	Planning Underway		79,488

**Table D – Summary HOME-ARP Goals and Accomplishments**

**Assess how the jurisdiction’s use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.**

Most of the CDBG-funded projects in PY 2022 addressed the highest priorities, including housing rehabilitation and neighborhood revitalization activities (i.e. code enforcement, rental inspections, and infrastructure improvements). All HOME-funded projects were high priorities. The projects listed in the above Tables A, B, C, and D helped to meet Consolidated Plan priorities and objectives. The tables also include accomplishments made in PY 2022 from projects that were funded in prior years.

## CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted). 91.520(a)

	CDBG	CDBG-CV	HOME
White	2,173	347	17
Black or African American	50	26	2
Asian	8	1	
American Indian or American Native	37	22	
Native Hawaiian or Other Pacific Islander		2	
Black African American and White			
Other multi-racial		7	
<b>Total</b>	<b>2,268</b>	<b>405</b>	<b>19</b>
Hispanic	1,596	245	14
Not Hispanic	672	160	5

Table 2 – Table of assistance to racial and ethnic populations by source of funds

### Narrative

Race and ethnicity numbers are reported in Table 2 for projects able to collect this data. Projects may qualify for CDBG funding because they are provided in a low-and moderate-income area (LMA) (at least 51% of residents have low- to moderate-incomes) and are available to the entire population of that area. In these cases, race and ethnicity data is not collected. The numbers in the table represent accomplishments by projects that qualify for CDBG and HOME funding through an individual qualification process, and as a result, total race and ethnicity numbers will not equal the total persons served as reported in this CAPER.

In the Mesa Heights Neighborhood, 57% of the population have low-and moderate-incomes. Therefore, some of the projects in this area were available to all residents and race and ethnicity data was not collected. However, per the American Community Survey, 82.5% (3,181 of the 3,855 population) of the Mesa Heights residents are Hispanic.

## CR-15 - Resources and Investments 91.520(a)

Identify the resources made available

Source of Funds	Resources Made Available	Amount Expended During Program Year
CDBG	1,720,414	1,110,592
HOME	2,220,239	322,633
CDBG-CV	206,311	206,311
HOME-ARP	2,730,716	79,488

Table 3 - Resources Made Available

### Narrative

In Table 3 above, the resources made available, include both the CDBG entitlement and program income for 2022 and the HOME row includes the 2022 HOME entitlement, program income and HOME ARP allocation. The CDBG expenditures include all CDBG and CDBG-CV expenditures and HOME includes all HOME and HOME ARP expenditures for 2022.

The City was awarded \$916,011 in CDBG Entitlement funds. These funds were combined with \$4,751 in program income received, \$799,652 unexpended CDBG funds from previous years for a total of \$1,720,414 available to spend in PY 2022 (7/1/22 – 6/30/23). Actual CDBG funds expended were \$1,110,592.

In 2020, the City was awarded CDBG-Coronavirus funds from the CARES Act. No new funds were received in 2022, however \$206,311 was unexpended from the previous year. The funds were used to prevent, prepare for and respond to Coronavirus. The remaining \$206,311 in CDBG-CV funds were expended in PY 2022.

The Yuma County HOME Consortium was awarded \$411,329 in HOME Investment Partnership funds from HUD. These funds were combined with \$37,866 in program income and recaptured funds received, \$1,359,715 in unexpended from the previous year for a total of \$1,808,910 available to spend in PY 2022. Actual funds expended were \$322,633.

In 2021, the YCHC was awarded \$2,730,716 in HOME American Rescue Plan (ARP) funds to assist qualifying populations with housing or shelter. Total HOME ARP funds expended in 2022 were \$79,488.

**Identify the geographic distribution and location of investments**

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description
City of Yuma: Citywide	32	52.1%	CDBG Service Area
Mesa Heights	25	27.7%	NRSA
Yuma County	33	39.4%	HOME Service Area

**Table 4 – Identify the geographic distribution and location of investments**

**Narrative**

Table 4 shows how CDBG and HOME investments were distributed geographically. HOME funds were expended for housing rehabilitation and tenant based rental assistance throughout Yuma County.

The City of Yuma is focusing efforts in areas that have high percentages of low-and moderate-income people. For several years, the City focused efforts in the Carver Park and Yuma High Neighborhoods and continues to maintain them with Code Enforcement.

The Mesa Heights Neighborhood (MHN) was designated by the City and approved by HUD as a Neighborhood Revitalization Strategy Area. The area currently has a 56.55% LMI population. A report on progress made on Mesa Heights NRSA goals is included in the Appendix section of this report. For PY 2023, this area will remain a priority.

**Leveraging**

**Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.**

No publicly owned land was used to address needs identified in the Action Plan this year. Although no match was required for CDBG, the City and its subrecipients pursued public and private resources to further activities to benefit LMI people. The following resources were leveraged to help meet goals:

- The City provided approximately \$365,379 in general funds (local funds) to help the Neighborhood Services Division deliver CDBG, CDBG-CV and HOME-funded projects.
- Two small businesses located in Mesa Heights NRSA underwent façade improvements. The owner of Dave’s Upholstery cost shared \$5,590 (private) and Laren’s Design Studio cost shared \$7,380 (private) for exterior improvements to their businesses.
- WACOG matched \$209,901 (State and local) used for the Housing Counseling Program.

**HOME Match Requirements:**

In PY 2022, the HOME Consortium was granted a 100% match reduction by HUD; therefore, no match was required. The match in the chart below was for one HOME project. Catholic Community Services provided \$10,638 for continuing supportive services for the 12 months that clients are provided Tenant Based Rental Assistance.

Each year since its first allocation as a Participating Jurisdiction in 2017, the YCHC has received a 100% match reduction from HUD. The following match from previous years is banked for future match obligations:

- State funds in the amount of \$572,043 was used to construct three affordable rentals. HOME was used to acquire the land for the project.
- In 2020, Catholic Community Services provided \$6,385 and \$8,175 in 2021 for supportive services for clients housed with TBRA.

<b>Fiscal Year Summary – HOME Match</b>	
1. Excess match from prior Federal fiscal year	8,175
2. Match contributed during current Federal fiscal year	10,638
3. Total match available for current Federal fiscal year (Line 1 plus Line 2)	18,813
4. Match liability for current Federal fiscal year	0
5. Excess match carried over to next Federal fiscal year (Line 3 minus Line 4)	18,813

**Table 5 – Fiscal Year Summary - HOME Match Report**

<b>Match Contribution for the Federal Fiscal Year</b>								
Project No. or Other ID	Date of Contribution	Cash (non-Federal sources)	Foregone Taxes, Fees, Charges	Appraised Land/Real Property	Required Infrastructure	Site Preparation, Construction Materials, Donated labor	Bond Financing	Total Match
2022-8	6/30/23	10,638						10,638

Table 10 – Relocation and Real Property Acquisition

### CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

	One-Year Goal	Actual
Number of homeless to be provided affordable housing units	137	109
Number of Non-Homeless households to be provided affordable housing units	2,160	2,166
Number of Special-Needs households to be provided affordable housing units	0	15
<b>Total</b>	<b>2,297</b>	<b>2,290</b>

Table 11– Number of Households

	One-Year Goal	Actual
Number of households supported through rental assistance	2,290	2,282
Number of households supported through the production of new units	1	0
Number of households supported through the rehab of existing units	6	8
Number of households supported through the acquisition of existing units	0	0
<b>Total</b>	<b>2,297</b>	<b>2,290</b>

Table 12 – Number of Households Supported

**Discuss the difference between goals and outcomes and problems encountered in meeting these goals.**

Tables 11 and 12 compare the outcomes to the affordable housing goals outlined in the Annual Action Plan. This table is inclusive of HOME, CDBG, and local Public Housing Agencies (Housing Authority of the City of Yuma and Yuma County Housing Department) affordable housing goals and outcomes. Although some funded activities did not meet the goals outlined in the 2022 Action Plan, overall, the affordable housing goals were met.

The City of Yuma, the Yuma County Housing Department, Housing Authority of the City of Yuma, YCHC, partners and subrecipients have worked diligently to meet goals, however; not all of them were met. Activities that did not meet the goals set for 2022 include:

- Park Infrastructure Improvements – Construction is underway on improvements to the Carver Park Restrooms. Some of the building materials needed for project were delayed. The project will be complete by September of 2023.
- Development of one affordable housing unit, a CHDO project was not completed. The YCHC is working with a local housing developer to be certified as a CHDO. They meet all of the CHDO criteria. They will soon begin the development of new affordable rental units.

The current housing market and economic environment made it difficult to meet housing goals. Rental costs and home purchase prices have increased dramatically over the past few years causing a lot of people to be severely housing-cost burdened. People approved for TBRA find it extremely difficult or impossible to find affordable rental units that meet HOME rent standards.

Construction costs have increased dramatically, which can make it difficult to meet after-rehabilitation values in Housing Rehabilitation programs. Another challenge is the limited number local nonprofit developers with the capacity to develop and sell/rent homes within a timely manner.

For the Down Payment Assistance Program, even with HOME assistance, it is very difficult to find homes that are affordable to low income homebuyers. Even with HOME assistance, it is also difficult for a household at 80% of area median income (AMI) to qualify for a mortgage large enough to purchase a home at current prices.

**Discuss how these outcomes will impact future annual action plans.**

The City does not anticipate significant changes to future Annual Action Plans. The City and the YCHC will continue to utilize CDBG and HOME funds to the fullest extent meet Consolidated Plan goals. The City and its subrecipients have several projects underway that will be complete next year.

As construction costs and the cost to purchase property continue to increase, the City will take the increased cost per unit into consideration to adjust goals accordingly in future Action Plans.

**Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.**

Number of Households Served	CDBG Actual	HOME Actual	CDBG-CV
Extremely Low-income	2,230	7	252
Low-income	3	12	77
Moderate-income	10	0	1
<b>Total</b>	<b>2,243</b>	<b>19</b>	<b>330</b>

Table 13 – Number of Households Served

### Narrative Information

The numbers in the CDBG column in Table 13 show how many people received housing rehabilitation, housing counseling, crossroads mission, and childcare in the SHINE Program. The table does not include information for activities provided as a low-and moderate-income area benefit (LMA). The second column shows how many households received housing rehabilitation and tenant based rental assistance under HOME. The third column shows how many people received services under CDBG-CV, including, shelter at the Safe House domestic violence shelter and Adult Daycare at the Adult Daybreak Center.

### CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction’s progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs.

The City of Yuma is an active member of the Yuma Coalition to End Homelessness (YCEH). The City staff representative is the Secretary of the Coalition and sits on the membership committee. The YCEH is a partnership of nonprofit organizations, homeless service providers, business leaders and local governmental liaisons. Each of the participating agencies is committed to assisting individuals and families who become homeless or are at risk of becoming homeless to gain housing stability, self-sufficiency, and improved quality of life.

Arizona Department of Housing (ADOH) contracts with ACHIEVE Human Services to be the lead entity of the local CoC and to implement a Strategic Action Plan to meet the needs of the homeless population in Yuma County. Members of the YCEH implemented the 2022 Point-In-Time (PIT) Count throughout Yuma County, and 119 unduplicated counts of unsheltered individuals met the homelessness criteria. Next year, CDBG fund will help fund a Homeless Outreach Program administered by Crossroads Mission. They will reach out to unsheltered people to provide resource information.

### Addressing the emergency shelter and transitional housing needs of homeless persons

In an effort to address emergency shelter, local agencies participate in a coordinated entry system, which includes the Homeless Management Information System (HMIS) and the Vulnerability Index & Service Prioritization Decision Assistance Tool (VI-SPDAT). The most vulnerable clients are prioritized and referred to local agencies to address needs such as emergency shelter, permanent supportive housing, rapid re-housing, transitional housing, case management, housing voucher for veterans, mental health services, substance abuse assistance, and services for victims of domestic violence.

Catholic Community Services (CCS) utilized CDBG-CV funding to purchase materials, supplies and furniture that can be sanitized to help prevent the spread of COVID-19. The Safe House is an emergency domestic violence shelter that provides victims with a safe place to stay. Crossroads Missions Detox

Center/Shelter utilized CDBG funds to serve homeless people with an emergency shelter and community resources.

**Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs**

CDBG and HOME funding provided assistance to LMI families through housing rehabilitation programs. These programs provide safe, decent and sanitary housing for low-to moderate-income households by eliminating code violations, health and safety issues, and providing handicapped accessibility and energy efficiency modifications to prevent homelessness due to building safety problems. Housing counseling was provided to LMI households at risk of foreclosure, and/or other financial hardships threatening their housing status.

Catholic Community Services (CCS) utilized HOME funding for a Tenant-Based Rental Assistance (TBRA) program. This program gives preference to individuals/families that are victims of domestic violence living in the Safe House. TBRA will help them transition from the shelter to housing by providing funds for deposits, rent subsidy, and utility deposits.

HOME funding was also provided to the Housing Authority of the City of Yuma (HACY) for a TBRA program. That program gives preference to people that are homeless or at risk of homelessness.

**Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again**

The City provided HOME funding to the Housing Authority of the City of Yuma and Catholic Community Services for their TBRA Program. The funding provides housing opportunities for individuals and families in crisis.

The Yuma Coalition to End Homelessness (YCEH) uses a Coordinated Entry System (CES), which focuses on operating a coordinated entry system and maintaining case conferencing activities. The CES is linked to outreach efforts prioritizing assistance for the most vulnerable population including single individuals, families, seniors, and veterans experiencing homelessness. YCEH and community leadership are committed to bringing a higher level of service coordination to those experiencing homelessness. ACHIEVE, as the lead CoC agency, is responsible for the CES. When an individual is in need of services, the process starts by assessing their vulnerability using the VI-SPDAT at one of the three points of entry locations within the city: ACHIEVE on the north end of Yuma, WACOG in eastern Yuma, and NCHP in the central area. Once vulnerability is assessed, a case is opened in the HMIS system, which notifies agencies providing rapid re-housing, permanent supportive housing and veteran services. The HMIS and Case Conferencing Committees then review the case, match the client with resources, and refer to the agency that can provide those resources. Numerous people experiencing homelessness have received services as a result of this process.

## CR-30 - Public Housing 91.220(h); 91.320(j)

### Introduction

This section summarizes the activities of the Housing Authority of the City of Yuma (HACY) and the Yuma County Housing Department (YCHD) that support Action Plan programs.

### Actions taken to address the needs of public housing

In PY 2022, HACY and the YCHD provided affordable rental housing to low income-families in the City of Yuma and Yuma County, continued Self Sufficiency programs, and continued to build strong relationships with landlords who accept Section 8 vouchers--all cornerstones of a successful PHA.

HACY managed 235 Rental Assistance Demonstration (RAD) units throughout the City. All public housing units have been converted to RAD units. RAD units carry higher rents but have TBRA attached, allowing HACY to invest more in capital improvements.

The RAD housing stock is in very good condition. The 20-year capital improvement plan includes improvements to roofing, cabinetry, and energy efficiency.

HACY is currently managing 1,016 Housing Choice, 94 project-based, 235 tenant-based, 20 homeownerships, and 107 special purpose vouchers - for a total of 1,472 vouchers. Currently, the waiting list for vouchers is more than 2 years. As rents have risen recently, it has become increasingly difficult for voucher holders to find affordable rental units. The search process is now taking more than 90 days.

Landlords participating in the program have remained and are strong partners of HACY. However, it has been very difficult to find new landlords to participate in the program because the payment standards are lower than the private market. There is a critical need for more landlords that accept vouchers. HACY has had some success offering landlord incentives for participation in the program in the past; however, additional funding is needed for such a program to be more effective and broadly used. The current market is affecting voucher recipients because it is difficult to compete with the private market. The lack of rental units in Yuma County is straining the effectiveness of all rental assistance programs.

The Yuma County Housing Department managed 159 public housing units un non-incorporated Yuma County, Somerton, and San Luis. Yuma County currently administers 406 Section 8 Housing Choice Vouchers throughout the County.

### Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

HACY offers a Family Self Sufficiency (FSS) program to clients in the Housing Choice Voucher (HCV) Program and RAD housing. The program assists with education, employment, training, and homeownership. On average, approximately 25 residents graduate, and 8 residents become homeowners each year.

The Yuma County Housing Department also offers a FSS Program and currently has 150 families enrolled. On average, 22 residents graduate and 8 of them become homeowners each year.

#### **Actions taken to provide assistance to troubled PHAs**

Neither HACY nor the Yuma County Housing Department (YCHD) are designated as a “troubled” PHA. HACY is designated as “high performing” and YCHD is designated as a “Standard performing PHA.”

#### **CR-35 – Other Actions 91.220(j)-(k); 91.320(i)-(j)**

**Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)**

An update to the City's Analysis of Impediments to Fair Housing Choice (AI) was conducted as part of the 2021-2025 Consolidated Plan. The analysis found that zoning and land use regulations are limiting housing choice. The City approved text amendments, allowing site-built homes in the Recreational Vehicle Subdivision (RVS) Districts. The number of dwelling units allowed per acre was also increased from 18 to 30 in areas that have a high-density residential land use designation. Both actions expanded options for affordable housing choices in the community.

The City developed an infill incentive ordinance that modifies development standards for construction of housing in older established neighborhoods. The ordinance provides flexibility in regulations regarding lot sizes, setbacks, lot coverage and fees to encourage more affordable housing development. This has made a big impact on development of vacant lots in older neighborhoods. The infill areas are being considered for expansion to include additional neighborhoods.

The City adopted an ordinance that allows the construction of accessory dwellings units (ADU) on lots that are currently or will be developed with a single-family residence. ADU's offer the community a variety of benefits, including another affordable housing option. This ordinance is helping to retain population groups that might have otherwise been priced out of the housing market.

The City is in the process of making the following changes to expand affordable housing options:

- Eliminating the minimum lot area per unit requirements
- Reduce parking requirements for two-family and multi-family developments
- Redefine multifamily zoning to increase development opportunities
- Adopt a density bonus program within the Infill Overlay District
- Updating the ADU provision to increase allowable unit sizes, allow tiny homes and to allow attached units.

### **Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)**

Currently, the biggest obstacle to meeting underserved needs is the lack of affordable housing units. With the increasing cost of rents and for-sale housing, deep subsidies are needed for very-low to moderate-income households. Subsidies are being provided through the Tenant Based Rental Assistance program, but it is difficult to find homes to purchase that are under HUD's maximum allowable sales price and units to rent that are under the Fair Market Rent standards.

To maximize the cost-efficiency of limited resources and to make a noticeable impact, the City elects to channel funding in targeted neighborhoods. The Mesa Heights Neighborhood (MHN) is designated by the City and HUD as a Neighborhood Revitalization Strategy Area (NRSA). Since 2016, CDBG funds have been used in this area for: infrastructure improvements; neighborhood outreach; housing rehabilitation; code enforcement; and rental inspections that require rental property owners to keep rentals compliant with the International Property Maintenance Code (IPMC). Approximately 60% of the housing units in the MHN are rentals and there is a shortage of safe, decent rental housing that is affordable to very-low to low-income households. Therefore, the Rental Inspection Program is such an important part of revitalization of this area. The City continues to support applications for Low Income Housing Tax Credits (LIHTC) in the MHN. One LIHTC project in the MHN was recently awarded by the Arizona Department of Housing and will create 80 new affordable units. The City will support surrounding infrastructure for this project with CDBG funding.

### **Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)**

The City and the YCHC comply with HUD's Lead-Safe Housing Rule as it relates to Owner Occupied Housing Rehabilitation, and Tenant Based Rental Assistance (TBRA), and Down Payment Assistance Programs.

City staff received training from HUD's Office of Lead Hazard Control and Healthy Homes (OLHCHH). The training included federal lead regulations with a focus on the Lead Safe Housing Rule (LSHR) activities. Additionally, City staff is certified by HUD in Lead Based Paint Visual Assessments. This certification shows that staff has the knowledge to complete visual inspections of housing units that were constructed prior to 1978 for the TBRA, and Down Payment Assistance Programs. Properties failing a visual inspection proceed through the LSHR workflow and are either stabilized or abated in accordance with LSHR requirements prior to occupancy. Before a housing unit is occupied by a family, it must be inspected prior to being approved by the TBRA, and Down Payment Assistance programs.

As part of the City and the YCHC Housing Rehabilitation programs, lead-based paint hazard booklets are distributed to program participants during the courtesy inspection. If a home tests positive for lead based paint per LSHR standards, it is abated according to the risk assessment that is performed by an EPA certified contractor. The cost of abatement is incorporated into the cost of the rehabilitation.

### **Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)**

The City and the Yuma County HOME Consortium are committed to providing its poorest residents with quality neighborhoods and housing, in addition to helping them move out of poverty to become self-sufficient. The purpose of the City's housing and community development programs is to improve the living conditions of these residents. In PY 2022, the City used CDBG, HOME, and CDBG-CV funding and resources for the following activities as part of its anti-poverty efforts:

- The Yuma County HOME Consortium (YCHC) awarded HOME funds to organizations that will help increase affordable housing opportunities for low-to moderate-income households, including tenant based rental assistance, down payment assistance, and housing rehabilitation.
- City staff served on various committees within Yuma Coalition to End Homelessness. The goal of this group is to reduce homelessness and improve conditions for those living in poverty. The bi-monthly meetings provide opportunities for social service organizations to network and coordinate services. Some members of the Coalition are entry points for Coordinated Entry into the HMIS system. This reduces duplicate services, which helps to stretch local resources further.
- The City provided CDBG funds to the SHINE Childcare program to offer reduced childcare costs for low-income families to attend work or school to become more self-sufficient.
- CDBG was used by Crossroads Mission to provide nutritious meals for homeless people.
- CDBG-CV was used to purchase furniture that can be sanitized, and other supplies needed to keep residents safe at the domestic violence shelter.
- WACOG provided Housing Counseling, including foreclosure counseling to help families stay in their homes.
- The MLK Neighborhood Center is in Carver Park Neighborhood, a low-income area that was a revitalization focus for the city for several years. The City allows AZ@Work to use the facility to assist youth ages 16-24 obtain gainful employment. They offer educational services, job training, resume writing, and interview training. These services will help reduce the number of people living in poverty.

#### **Actions taken to develop institutional structure. 91.220(k); 91.320(j)**

The Neighborhood Services Division administers the CDBG Program and the HOME Program (on behalf of the HOME Consortium). Training was offered on various aspects of HOME, CDBG and crosscutting regulations. Both new and long-term City staff participated in as much training as possible to learn about administering CDBG and HOME or getting updates on the programs.

Neighborhood Services is responsible for carrying out Consolidated Plan objectives and ensuring that all projects are following federal regulations. The City relies on public, private, and nonprofit organizations to carry out activities and will continue to foster and maintain existing partnership and work to create new ones to successfully deliver housing and community development programs. Collaboration between local, county, and state agencies is important to successfully accomplish goals and objectives.

As the Lead Entity for the Yuma County HOME Consortium (YCHC), the City worked closely with members of the consortium to gather input and implement a policy to administer the HOME Program.

**Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)**

The City is committed to meeting underserved needs in the community. The City's structure for carrying out housing and community development activities is efficient, and duplication of services is limited. The City benefits from having a relatively small group of nonprofit organizations specializing in serving specific populations.

The City and the YCHC rely on public and private agencies as resources or partners for housing and community development programs to better serve the LMI community. A portion of CDBG and HOME funds were awarded to local non-profit organizations. This is done through a competitive process. Proposals described project readiness, organizational capacity to comply with regulations, and ability to serve low-income people with the most need. The City also networks with many agencies through the coordination and/or participation in the following:

- Yuma County HOME Consortium, which includes City of Yuma, Yuma County, Cities of Somerton and San Luis, Town of Wellton
- Yuma Coalition to End Homelessness (YCEH)
- Yuma Fair Housing Committee
- CARES Act and COVID-19 Recovery Task Force

**Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)**

The City is addressing the following impediments that were described in the 2021-2025 Consolidated Plan and Analysis of Impediments completed in May 2021.

1. Zoning and land use regulations limit housing choice: To reduce barriers for the development of affordable housing, the City has made the following updates:
  - Approved a text amendment to allow site-built homes in the Recreational Vehicle Subdivision (RVS) District.
  - Increased the number of dwelling units per acre from 18 to 30 in areas with high density residential land use designation.
  - In the process of updating the accessory dwelling unit provisions to increase allowable sizes, allow tiny homes, and to allow attached units.
2. Access to homeownership is unequal among protected classes: Comite de Bien Estar is using HOME funds to provide a Down Payment Assistance Program. This program helps LMI families purchase a home.
3. Persons with disabilities face barriers to housing choice: The City Yuma County and Campesinos Sin Fronteras administer owner-occupied rehabilitation programs that help disabled, elderly and low-income homeowners live safely in their homes. During the annual virtual Fair Housing (FH) Symposium this year, Southwest Fair Housing Council (SWFHC) provided English and Spanish training sessions on Fair Housing laws pertaining to disabilities and reasonable accommodations. Among the attendees were local realtors, property managers and others in the housing industry.

4. Discrimination in rental housing persists: CDBG funds were awarded to SWFHC to do FH outreach, educate the community on FH laws, and to test for FH violations. SWFHC placed billboard Public Service Announcements and gave presentations at the FH Symposium and to the residents in the Neighborhood Leadership Academy. They also conducted 22 FH tests - 5 were related to National Origin, 15 were related to disability, 1 was related to race, and 1 was related to criminal background. Of these: 7 were in compliance with FH laws, 12 will be re-tested, and 3 were inconclusive and are still under review.
5. Residents find it difficult to use housing choice vouchers in the city: HACY does outreach to rental property owners/managers. They explain how housing assistance programs work and encourage them to accept vouchers. Southwest Fair Housing Council provided training specifically for landlords and property owners.
6. Concentrations of poverty, racial and ethnic minorities and poor housing quality persist: The City is addressing this impediment with focused, holistic neighborhood revitalization. The Mesa Heights Neighborhood is the current Neighborhood Revitalization Strategy Area (NRSA). Revitalization efforts include infrastructure projects, such as the Harvard Street sewer project, park improvements and new streetlights. Housing efforts include housing rehabilitation, completion of a new 58-unit affordable rental project, and a future 80-unit apartment complex. Other programs include code enforcement and rental inspections, outreach, neighborhood cleanup, and small business façade improvements. In order to be considered a NRSA, the neighborhood must be in decline and have a high percentage of LMI people. Prior to Mesa Heights, the Carver Park Neighborhood was the focus of revitalization efforts. After Mesa Heights, a plan for another older, low-income neighborhood will be developed.

## **CR-40 - Monitoring 91.220 and 91.230**

### **Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements**

Quarterly Performance Reports and Requests for Reimbursement were used to monitor activities throughout the year. All subrecipients and City staff administering programs using CDBG funds were required to submit Quarterly Performance Reports for each activity.

Staff determines high-risk subrecipients based on the City's Monitoring Plan and makes on-site visits to ensure program compliance and ability to meet performance benchmarks. Due to the City of Yuma having relatively fewer activities than larger entitlement communities, City staff maintains ongoing contact with subrecipients throughout the year. The City, as the Lead Entity, has been working closely with HOME-funded organizations. City staff reviews client files, project documents, and underwrites every activity prior to any assistance being approved.

City staff provides electronic packets to each CDBG Subrecipient with guidance and forms needed to comply with all program requirements. The packet includes: a list of documentation needed in project files; Client Eligibility forms with current income guidelines; number of people in the household; race and ethnicity categories; source documents to be submitted with Reimbursement Requests; Quarterly Performance Report template with an example showing which information needs to be included; procurement guidance; sample time and activity report; and the City's Monitoring Plan and Checklist. For first-time Subrecipients, City staff offers one-on-one technical assistance.

Staff provides technical assistance to each HOME-funded organization. A packet is provided to each organization with project-specific program guidelines, forms, and other information needed to comply with regulations for the project being administered. City staff works closely with them to gather all of the needed information to underwrite the project and determine the feasibility and need for HOME funding.

The City uses comprehensive monitoring checklists to ensure that subrecipients comply with Program regulations. For CDBG, the checklist and a booklet that outlines regulations cited on the checklist are mailed along with monitoring notices. For HOME, the pertinent checklists are mailed along with the notices.

Annual monitoring is in progress for Comité de Bien Estar. HOME funds were provided for down payment and closing cost assistance. City staff is reviewing documentation to ensure compliance with HOME regulations.

Annual desk monitoring was performed on 3 rental units on Magnolia Avenue developed with HOME funds in March 2023. City staff reviewed lease documents, tenant assets, payment calculations, unit inspection reports, and income statements for the development. There were no findings, and an on-site monitoring visit will be scheduled in March 2024.

The City encourages minority businesses to participate and bid on projects in the Housing Rehabilitation Program. Not only is advertising being done in the area newspaper, but it is also done in the free, weekly, Spanish language newspaper. Most of the contractors on the approved Contractor list are small, minority contractors.

#### **Citizen Participation Plan 91.105(d); 91.115(d)**

##### **Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.**

City residents are supportive of CDBG and HOME activities funded by the City. A public notice was published in the Yuma Sun and in Spanish in the Bajo el Sol newspapers on September 8, 2023. The notice summarized funds available and spent with CDBG and HOME funds in PY 2022 and announced the comment period for the draft CAPER. The public was given 15 days to comment. The draft CAPER was available on the City website at [www.YumaAZ.gov](http://www.YumaAZ.gov). Hard copies were available upon request and at the following locations: City Hall, the Yuma County Main and Heritage Branch Libraries, HACY, and Somerton City Hall. The final copy will also be available at these locations and will remain on the City's website. \_\_\_\_ comments were received.

#### **CR-45 - CDBG 91.520(c)**

##### **Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.**

Subsidies are being offered through the Down Payment Assistance Program; home purchase prices have increased dramatically throughout the years, making it difficult to provide assistance. It has become extremely difficult to find homes under HUD'S allowable sale price due to the current housing market and economic environment. Funds for this program are being considered for reprogramming into another HOME-eligible activity.

Housing Rehabilitation and other projects have been impacted by the increase of construction costs. The cost to purchase property is also being taken into consideration. Goals will continue to be adjusted accordingly in future Action Plans.

Based on discussions concerning the lack of affordable rental housing during the consultation process, HOME-ARP funds will be used to develop affordable rental units for Qualifying Populations. This will help to reduce the number of residents facing extreme cost burdens and will help to house people that are homeless or at-risk of homelessness.

**Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?**

No, the City of Yuma has no BEDI grants.

**CR-50 - HOME 91.520(d)**

**Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations**

Please list those projects that should have been inspected on-site this program year based upon the schedule in §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

Catholic Community Services and the Housing Authority of the City of Yuma are subrecipients administering Tenant Based Rental Assistance Programs (TBRA). Each housing unit was inspected and complied with International Property Maintenance Code (IPMC) standards. Deficiencies were corrected prior to approval of assistance for each client. If the landlord was not willing to make the required improvements, clients were not allowed to rent those units.

Monitoring was performed on the three rental homes built on Magnolia Avenue in March 2023. City staff reviewed lease documents, tenant assets, payment calculations, unit inspection reports, and income statements for the development. These units will be due for on-site inspections and will be scheduled next year.

**Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 92.351(b)**

As the lead entity for the YCHC, the City monitors for compliance with affirmative marketing requirements of applicable HOME subrecipients. At the start of a program/project, the selection policies and marketing materials are reviewed. Only one rental development project has been constructed to date, however a formal marketing strategy was not required because it is less than five units. Even

though a formal plan was not required, AHDC followed their existing marketing strategies as the three units were leased up.

Grantees and subrecipients are required to maintain an affirmative marketing strategy for activities assisted with HOME funds. The Lead Entity for the YCHC reviews the strategy for compliance with 92.351(b).

**Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics**

The YCHC recaptured \$24,843.68 from one client in the Down Payment Assistance Program in 2022. The home was sold. \$13,042.66 in program income was received from a housing rehabilitation project. All of the program income and recaptured funds were programmed for a rental development project in the 2023 Annual Action Plan.

**Describe other actions taken to foster and maintain affordable housing. 91.220(k)**

The Yuma County HOME Consortium was established in 2016 and received the first HOME allocation as a Participating Jurisdiction in 2017. Throughout the YCHC’s service area, which includes all of Yuma County, local governments and housing organizations are making efforts to foster and maintain affordable housing.

The HOME Consortium received HOME-ARP funding that will be used to develop new affordable rental housing. This funding will be provided to a developer to leverage other funding to construct as many rental units as possible.

The City of Yuma is able to waive impact fees on new affordable housing units that meet the HUD definition of affordable housing for low-and moderate-income (LMI) people. In 2018, the City adopted an ordinance that allows the construction/establishment of accessory dwellings units on lots, which are currently or will be developed with a single-family residence. Accessory dwelling units can help to increase supply of affordable housing.

Yuma County continues to offer housing rehabilitation throughout Yuma County (outside the Yuma city limits). Funding is utilized to rehabilitate and reconstruct housing structures designed to meet low-income family needs.

The Town of Wellton is partnering with the local USDA office to administer a Section 502 Program for the new construction of housing that will be sold to LMI families. They are also administering a housing rehabilitation program with funding from the Arizona Department of Housing.

## Narrative

This year, One CDBG project met the \$200,000 Section 3 threshold. At the pre-bid meeting city staff provided technical assistance to contractors on how to become a Section 3 business and the contractors responsibilities on a section 3 job. City staff collected Section 3 worker certifications and weekly reports from the General Contractor on Section 3 labor hours. Construction is still underway and is expected to be complete by September. We will continue to inform contractors of the opportunity to register as a Section 3 business.

PART I: SUMMARY OF CDBG RESOURCES

01 UNEXPENDED CDBG FUNDS AT END OF PREVIOUS PROGRAM YEAR	799,651.99
02 ENTITLEMENT GRANT	916,011.00
03 SURPLUS URBAN RENEWAL	0.00
04 SECTION 108 GUARANTEED LOAN FUNDS	0.00
05 CURRENT YEAR PROGRAM INCOME	4,751.13

 PGM YR 2022

**Section 3 Details By Program, Program Year & Activity**

No data returned for this view. This might be because the applied filter excludes all data.

**Legend**

- A** Outreach efforts to generate job applicants who are Public Housing Targeted Workers
- B** Outreach efforts to generate job applicants who are Other Funding Targeted Workers.
- C** Direct, on-the job training (including apprenticeships).
- D** Indirect training such as arranging for, contracting for, or paying tuition for, off-site training.
- E** Technical assistance to help Section 3 workers compete for jobs (e.g., resume assistance, coaching).
- F** Outreach efforts to identify and secure bids from Section 3 business concerns.
- G** Technical assistance to help Section 3 business concerns understand and bid on contracts.
- H** Division of contracts into smaller jobs to facilitate participation by Section 3 business concerns.
- I** Provided or connected residents with assistance in seeking employment including: drafting resumes, preparing for interviews, finding job opportunities
- J** Held one or more job fairs.
- K** Provided or connected residents with supportive services that can provide direct services or referrals.
- L** Provided or connected residents with supportive services that provide one or more of the following: work readiness health screenings, interview clo
- M** Assisted residents with finding child care.
- N** Assisted residents to apply for/or attend community college or a four year educational institution.
- O** Assisted residents to apply for or attend vocational/technical training.
- P** Assisted residents to obtain financial literacy training and/or coaching.
- Q** Bonding assistance, guaranties, or other efforts to support viable bids from Section 3 business concerns.
- R** Provided or connected residents with training on computer use or online technologies.
- S** Promoting the use of a business registry designed to create opportunities for disadvantaged and small businesses.
- T** Outreach, engagement, or referrals with the state one-stop system, as designed in Section 121(e)(2) of the Workforce Innovation and Opportunity /
- U** Other

DRAFT

# Mesa Heights Neighborhood Revitalization Strategy Accomplishment Status Report

## A SAFETY AND SECURITY

### GOAL 1 Reduce the prevalence of gangs and related illegal activity such as drug and property crimes.

- FY 2016-17 1. Launched "Turn on your Porch Light" campaign at January Block Party in partnership with Yuma Police Department. Distribution of energy efficient light bulbs at all community events. Church volunteer group partnering to make repairs and installations of front porch light fixtures.
- FY 2017-18 1. Continued Porch Light campaign in cooperation with YPD and church volunteers.
- FY 2019-20 1. The Streetlight Project is currently in the design phase and will be completed in 2020-21. This project will add 35 new streetlights to the area to improve safety and reduce crime.  
2. 136 instances of graffiti were reported and removed
- FY 2020-21 1. The Streetlight project is nearly complete and will add 37 new streetlights to the area
- FY 2021-22 1. 37 new streetlights were added to make the area brighter at night to make residents feel more safe and to reduce crime

### GOAL 2 Eliminate unsafe travel conditions for pedestrians, bicyclists, and motorists going to & from McGraw Elementary School & Kennedy Park.

- FY 2017-18 1. Formation of Working Group to study traffic conditions on Arizona Avenue
- FY 2017-18 1. School system, in cooperation with COY, modified pickup and drop off of students at McGraw utilizing Kennedy Lane
- FY 2018-19 1. Worked with school officials and Yuma PD to eliminate parking on vacant lots on Arizona Avenue during student drop-off and pick-up.

### GOAL 3 Develop Block Watch programs throughout the Neighborhood.

- FY 2018-19 Deferred

### GOAL 4 Reduce the number of stray animals in the neighborhood.

- FY 2018-19 Deferred

### GOAL 5 Improve fire safety for residents.

- FY 2016-17 1. Fire Department distributed and installed smoke detectors. Began community outreach at spring resource fairs.
- FY 2017-18 1. Continued community outreach in partnership with Fire Department, encouraging installation of smoke detectors.  
2. Confirmed working smoke detectors in all rental inspections and homes being rehabilitated.
- FY 2018-19 1. Continued ongoing programs with Fire Department, Rental Inspection and Rehab programs.
- FY 2019-20 1. Continued ongoing programs with Fire Department, Rental Inspection and Rehab programs.
- FY 2020-21 1. Continued ongoing Rental Inspections, Housing Rehab, and Demolition program.
- FY 2021-22 1. Continued the Rental Inspection, Housing Rehab and Demolition programs.

## B HOUSING

### GOAL 6 Improve the quality and availability of rental property.

- FY 2016-17 1. Rental inspection program began November 1, starting on Arizona Ave, working west through neighborhood; east of AZ Avenue in Year 2. Landlords and tenants at 35 rental units notified by 1/1/17. Follow-up and inspection scheduling underway.  
2. Mesa Heights Apartments on Arizona Avenue were awarded funding. Construction to begin Summer 2017.
- FY 2017-18 1. At the 1 year mark, 292 rental properties were identified; 88 contacted and inspections are underway. Goal for 150 to be underway by 6/30  
2. Mesa Heights Apartments under construction and on track for occupancy in the summer of 2018
- FY 2018-19 1. Rental Inspection Program -- 642 inspections completed; 252 units certified  
2. Mesa Heights Apartments - 58 affordable units, 100% occupied
- FY 2019-20 1. Rental Inspection Program - 558 total inspections completed, bringing 137 units into compliance
- FY 2021-22 1. Rental Inspection Program - 25 inspections conducted in mobile home parks, bringing 25 housing units into compliance.
- FY 2022-23 1. Rental Inspection Program - 50 inspections conducted in mobile home parks, bringing 32 housing units into compliance.

**GOAL 7 Improve the condition and affordability of owner-occupied housing.**

- FY 2016-17
  - 1. Redesigned the façade of standard construction house plans for homes reconstructed
  - 2. Developed landscape plan for homes reconstructed
  - 3. Contracted with a firm to perform energy audits for rehabs
  - 4. Completed 6 major rehabs and 1 minor rehab on owner-occupied homes
  - 5. Application submitted for additional rehab funds in partnership with WACOG.
- FY 2017-18
  - 1. Funded Housing Rehab Program. Completed 2 minor and 6 major rehabs
- FY 2018-19
  - 1. 20 owner-occupied homes rehabilitated to date; 12 major rehabs; 4 minor rehabs; 4 reconstructions;
- FY 2019-20
  - 1. 3 owner-occupied homes were provided major rehabilitation, 1 minor rehabilitation and 19 homes on Harvard Street had plumbing improvements and septic tanks abandoned to connect to the new sewer line.
- Fy 2020-21
  - 1. 2 owner-occupied homes were provided major rehabilitation.
- FY 2021-22
  - 1. 1 owner-occupied home was provided major rehabilitation and reconstruction is underway on another and will be complete next year.

**GOAL 8 Encourage new construction of single-family homes on vacant lots created by the removal of dilapidated structures.**

- FY 2016-17
  - 1. Develop house plans for 3-bed, 2-bath, with garage. By June 30. Deferred until 17-18
- FY 2017-18
  - 1. Developed house plans for 3-bed, 2-bath, with garage.
- FY 2018-19
  - 1. 8 new single family homes developed through private sources - total to date \$944,798 value
- FY 2021-22
  - 1. Non-profit housing developer assumed ownership of a vacant lot cleared of a dilapidated structure. Planning is underway for construction of a single-family home in 2022-23.
- FY 2022-23
  - 1. 1 new single family home and 1 duplex and 1 triplex were developed this year by private sources.

**GOAL 9 Encourage acquisition of residential properties for the purpose of rehabilitation and resale to home buyers at affordable prices.**

- FY 2016-17
  - 1. Grant award to YNDO for one acquisition/rehab/resale.
  - 2. Funding set aside for NS acquisition/rehab/resale. Property research underway.
- FY 2017-18
  - 1. Partner with Housing America for rehab/reconstruction/resale in Mesa Heights;
  - 2. YNDO completed acquisition and will begin rehab/resale component of program.
- FY 2018-19
  - 1. YNDO demolished home and will construct an affordable home. Continue search for homes suitable for acquisition/rehab/resale. Market conditions continue to make this difficult.

**GOAL 10 Prepare a plan to improve the infrastructure and housing conditions on Harvard Street.**

- FY 2017-18
  - 1. Formation of Working Group to develop scope of work for infrastructure on Harvard Street.
- FY 2018-19
  - 1. Harvard Street resident meeting held. Project design underway for sewer main with bidding expected in February 2019; All property owners contacted and case files being developed;
- FY 2019-20
  - 1. A contractor was hired to install a new sewer line and replace the asphalt on Harvard Street.
  - 2. Sewer laterals were installed for 19 homes on Harvard Street to connect to the new sewer lines. Plumbing improvements were also made and septic systems were abandoned at each home before being connected to the new sewer line.
- FY 2020-21
  - 1. This year it was found to be more cost effective to replace manufactured homes with site built homes, but zoning on Harvard Street didn't allow this. With public input, the City modified the zoning code to allow additional housing types in the Manufactured Home Subdivision zone. Under the amendment, both manufactured and site-built homes can be installed in this zone, expanding the options for affordable housing choices in the community.
- FY 2021-22
  - 1. A dilapidated manufactured home on Harvard Street owned and occupied by a low income homeowner is being replaced with a site built home by the Housing Rehab Program. It will be completed in FY 22/23.
- FY 2022-23
  - 1. This year two dilapidated manufactured homes on Harvard Street were replaced with site built homes. Both homes are owned and occupied by low income homeowners.
