Yuma

2024 City of Yuma & YCHC CDBG & Home Funding Cycle

**Affordable Housing - Home Repair Assistance
Homelessness Assistance - Youth & Elderly Programs**

The City of Yuma is beginning the 2024 CDBG and HOME Funding cycle. Non-profit organizations interested in submitting an application for CDBG or HOME funding are encouraged to attend the public hearing. Priorities for the use of funds are identified in the 2021-2025 Consolidation Plan, which can be found at:

<https://www.yumaaz.gov/government/community-development/neighborhood-services/plans-reports>

The City estimates receiving \$890,871 of CDBG from (HUD) for 2024/2025. Funds must be used for eligible activities within Yuma city limits and must meet a national objective.

The Yuma County HOME Consortium will receive approximately \$378,564 in HOME Investment Partnership funds. Funds must be used to create and preserve affordable housing within Yuma County.

New and past applicants that are interested in CDBG & HOME proposals, the application process and how to use Neighborly, may receive technical assistance upon request.

For more information or to schedule technical assistance, please contact City of Yuma Neighborhood Services at the number or email address below.
